### BPI Testing Information:

Following completion of this course, participants will be eligible to take the BPI written/online exam. There will be a written/online exam which satisfies the first component of the BPI certification requirements. Candidates must also pass a field performance exam before receiving certification. Test dates will be selected from a choice given to students during classroom instruction.

*Starting February 2012, BPI is requiring that all certification exams be video/audio recorded for submission to them.*
